CITATION

IsDB PRIZE LAUREATE IN ISLAMIC ECONOMICS FOR THE YEAR 1432H

Considering its pioneering efforts in rendering important services to Islamic economics;

Recognizing and appreciating its contributions to the establishment of Islamic Economics as an independent field of inquiry through innovative research, teaching, training and publications;

Realizing the significant impact of its publications in Islamic economics and frequent citation of such publications;

And in view of its sustained interest, intellectual support and continued commitment to the promotion of Islamic economics;

The IsDB Prize Selection Committee unanimously decides to award the IsDB Prize in Islamic Economics for the year 1432H to The Islamic Foundation, Leicester, U.K.
